THE INDOOR+OUTDOOR TABLE COMPANY

# INSPIRED BY NATURE

Marble inspired surfaces for timeless appeal

As the life's daily challenges evolve into even more complex and uncertainty, it is at the home that we find our retreat, the place to safely enjoy our freedom in a peaceful environment. **ariesto** is dedicated to serve these special moments, offering carefully designed and enduring easy maintenance tables to suit your home, be it inside or at the outside, wherever you find yourself the desire to enjoy your time and create your special memories around our tables.

To the classical appeal of natural stone, we added the highest performance material you can have, ceramic. Stain and scratch resistant, the long-lasting and low-maintenance table, made to endure the most demanding wear, simply one of the few reasons to love it.
